

RocDog Liability Insurance Agreement

(One for each adult & youth member)

If you intend to use your dog in the community and/or at work and you expect to have RocDog Liability Insurance coverage while you are on these visits, you will be required to do several things to keep your membership active and in good standing. These are:

1. You are required to keep a monthly log of all pet therapy visits, including personal and work visits. Monthly reports must show:
 - a. Date of visit, Location, Duration in hours, Was the visit on SignUpGenius?, Note of any issue.
 - b. Send Monthly Visit Logs to Support@RocDog.org at the end of every month.
 - c. Monthly Visit Log forms are available in PDF format or Excel spreadsheet format from the office.
2. Make at least one SignUpGenius posted event during each month, if possible. If it is not possible, submit the Monthly Visit Log for the month with an explanation why visits were not possible.
3. During renewal time, if you have not made at least one visit per month that has been recorded and submitted to the office, you may be required to recertify with your dog.

RocDog is an AKC approved Therapy Dog Group, and we are required to log all visits.

Do you want to be covered by RocDog Liability Insurance? ☐ Yes ☐ No

Please feel free to reach out to the office if you have any questions or concerns about insurance.

By signing this agreement, you are agreeing to follow the steps outlined above.
